

HIGH PERFORMANCE STROLLERS

RECALL NOTICE

September 2, 2009

Dear Baby Jogger Customer:

I write to follow up on my letter to you in July regarding the voluntary recall of *certain* Baby Jogger City Mini single and double strollers that Baby Jogger is conducting in cooperation with the U.S. Consumer Product Safety Commission. Under that recall, the company is sending free replacement buckles and replacement instructions to owners of the recalled strollers who contact the company. As part of that corrective action plan, I enclose a recall notice that must be placed in a high traffic area for at least 120 days in each of your stores that sold any of the recalled strollers.

We apologize for whatever inconvenience this may cause you and your staff. Should you have any questions, please feel free to call Don Carroll at 1-800-241-1848 extension 1333 between the hours of 9:00 a.m. and 5:00 p.m. Eastern Time, Monday through Friday.

Thank you again for your cooperation.

Very truly yours,

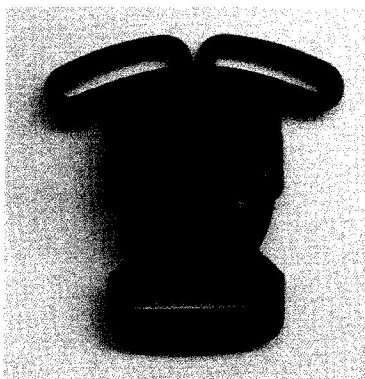

Mark Zehfuss
President

RECALL NOTICE

For Baby Jogger® City Mini Strollers

This recall involves certain Baby Jogger City Mini single and double strollers manufactured between November 1, 2007 and February 28, 2009. The stroller's restraint buckle could break or unlatch allowing the child or infant to fall out. Item numbers and date codes included in this recall are listed in the chart below along with stroller colors. The item number is printed on a sticker on the rear wheel crossbar. The manufacturing date code is engraved on the frame behind the rear wheel axel crossbar or on the back of the frame on the upright bar between the right rear wheel and the seat.
